## APPENDIX B

## TABLE 1. DEGREE OF SUPPORT FOR AN ORGANIZATION <br> THAT WOULD COORDINATE QUALITY

"Do you support the creation of a new public-private entity that would coordinate all of these efforts and set a national quality agenda?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | Total <br> $(\mathrm{n}=214)$ | Academic/ <br> Research Inst. <br> $(\mathrm{n}=94)$ | Health Care <br> Delivery <br> $(\mathrm{n}=58)$ | Business/ <br> Insuranc/ Other <br> Health Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ <br> Consumer Advocacy <br> $(\mathrm{n}=29)$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | $\%$ | $\mathbf{\%}$ | $\mathbf{\%}$ | $\mathbf{\%}$ | $\%$ |
| Strongly support/ <br> Support (net) | $\mathbf{5 6}$ | $\mathbf{5 9}$ | $\mathbf{6 2}$ | $\mathbf{4 8}$ | $\mathbf{5 5}$ |
| Strongly Support | 29 | 28 | 34 | 25 | 38 |
| Support | 27 | 31 | 28 | 23 | 17 |
| Somewhat support | 22 | 21 | 19 | 27 | 24 |
| Do not support | 16 | 16 | 17 | 21 | 10 |
| Not sure | 5 | 4 | 2 | 4 | 10 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

## TABLE 2. EFFECTIVENESS OF KEY STRATEGIES

"How effective do you think these strategies are?"
Base: 214 Respondents

|  |  | $\begin{gathered} \text { Total } \\ (\mathrm{n}=214) \end{gathered}$ | Academic/ <br> Research Inst. ( $\mathrm{n}=94$ ) | Health Care Delivery ( $\mathrm{n}=58$ ) | Business/ <br> Insurance/ <br> Other Health <br> Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ Consumer Advocacy ( $\mathrm{n}=29$ ) |

| Not sure | 7 | 5 | 7 | 4 | 10 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

## TABLE 5b. DEGREE OF SUPPORT FOR MEDICARE PAYMENT REFORM

 TO SUPPORT MEDICAL HOMES"Do you support Medicare payment reform to support Medical Homes?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | Total <br> $(\mathrm{n}=214)$ | Academic/ <br> Research Inst. <br> $(\mathrm{n}=94)$ | Health Care <br> Delivery <br> $(\mathrm{n}=58)$ | Business/ <br> Insurance/ Other <br> Health Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ <br> Consumer Advocacy <br> $(\mathrm{n}=29)$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ | $\%$ | $\%$ |
| Strongly support/ <br> Support (net) | 73 | 73 | 76 | 77 | $\mathbf{6 9}$ |
| Strongly Support | 44 | 51 | 47 | 45 | 28 |
| Support | 29 | 22 | 29 | 32 | 41 |
| Somewhat support | 17 | 18 | 16 | 15 | 10 |
| Do not support | 5 | 5 | 3 | 4 | 7 |
| Not sure | 5 | 3 | 5 | 3 | 10 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

## TABLE 6. OPINION ON WHO SHOULD BE FINANCIALLY RESPONSIBLE FOR HEALTH INFORAMATION TECHNOLOGY

"Who should play a leading role helping providers to finance
health information technology?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | Total <br> $(\mathrm{n}=214)$ | Academic/ <br> Research Inst. <br> $(\mathrm{n}=94)$ | Health Care <br> Delivery <br> $(\mathrm{n}=58)$ | Business/ <br> Insurance/ Other <br> Health Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ <br> Consumer Advocacy <br> $(\mathrm{n}=29)$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ | $\%$ | $\%$ |
| Federal government | 70 | 73 | 74 | 62 | 69 |
| State government | 36 | 31 | 43 | 35 | 48 |
| Health plans/Insurers | 58 | 64 | 59 | 51 | 66 |
| Employers/Other | 26 | 20 | 36 | 27 | 34 |
| No one - providers <br> should bear most of the <br> costs themselves | 18 | 14 | 17 | 27 | 10 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

TABLE 7. TYPE OF ASSISTANCE GIVEN TO HELP FINANCE HEALTH INFORMATION TECHNOLOGY
"What type of assistance, if any, should be given to providers to help finance health information technology (HIT)?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents
$\left.\begin{array}{|c|c|c|c|c|c|}\hline & & \begin{array}{c}\text { Total } \\ (\mathrm{n}=214)\end{array} & \begin{array}{c}\text { Academic/ } \\ \text { Research Inst. } \\ (\mathrm{n}=94)\end{array} & \begin{array}{c}\text { Health Care } \\ \text { Delivery } \\ (\mathrm{n}=58)\end{array} & \begin{array}{c}\text { Business/ } \\ \text { Insurance/ Other } \\ \text { Health Care } \\ \text { Industry } \\ (\mathrm{n}=71)\end{array}\end{array} \begin{array}{c}\text { Government/ Labor/ } \\ \text { Consumer Advocacy } \\ (\mathrm{n}=29)\end{array}\right]$

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

TABLE 8. OPINION ON MEDICARE'S REQUIREMENT OF USING ELECTRONIC MEDICAL RECORDS
"Should Medicare require the use of electronic medical records for all providers participating in Medicare?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | Total <br> $(\mathrm{n}=214)$ | Academic/ <br> Research Inst. <br> $(\mathrm{n}=94)$ | Health Care <br> Delivery <br> $(\mathrm{n}=58)$ | Business/ <br> Insurance/ Other <br> Health Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ <br> Consumer Advocacy <br> $(\mathrm{n}=29)$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Yes, in 10 years | 20 | 17 | $\%$ | $\%$ | $\%$ |
| Yes, in 5 years | 70 | 73 | 64 | 25 | 21 |
| No | 7 | 5 | 14 | 69 | 69 |
| Not sure | 3 | 4 | 3 | 1 | 7 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences. In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

TABLE 9a. GOVERNMENT'S FINANCIAL ROLE IN DEVELOPING HIENs
"What financial role should the government (federal or state) play in
fostering the development of HIENs?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | Total <br> $(\mathrm{n}=214)$ | Academic/ <br> Research <br> Inst. <br> $(\mathrm{n}=94)$ | Health Care <br> Delivery <br> $(\mathrm{n}=58)$ | Business/ <br> Insurance/ Oarer <br> Health Care <br> Industry <br> $(\mathrm{n}=71)$ | Government/ Labor/ <br> Consumer Advocacy <br> $(\mathrm{n}=29)$ |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ | $\%$ | $\%$ |
| The government should <br> help finance the <br> development, but not the <br> ongoing operations of <br> HIENs | 36 | 35 | 22 | 42 | 34 |
| The government should <br> help finance the ongoing <br> operations, but not the <br> development of the <br> HIENs | 2 | 2 | 3 | 3 | 3 |
| The government should <br> help finance both the <br> development and ongoing <br> operations of HIENs | 42 | 41 | 57 | 38 | 3 |
| The government should <br> not help finance the <br> HIENs at all | 7 | 9 | 10 | 3 | 3 |

Note: Due to small bases between sectors of industry leaders, caution should be used when looking at group differences.
In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.
In particular, only 29 respondents were employed by government, labor or consumer advocacy employers.

TABLE 9b. PRIVATE INSURERS/PAYERS' FINANCIAL ROLE
IN DEVELOPING HIENs
"What financial role should private insurers/payers play in
fostering the development of HIENs?"
Note: Percentages may not add up to 100 percent due to rounding.
Base: 214 Respondents

|  | $\underset{(\mathrm{n}=214)}{\substack{\text { Total } \\ \hline}}$ | Academic/ Research Inst. ( $\mathrm{n}=94$ ) | Health Care Delivery ( $\mathrm{n}=58$ ) | Business/ Insurance/ Other Health Care Industry $(\mathrm{n}=71)$ | Government/ Labor/ Consumer Advocacy ( $\mathrm{n}=29$ ) |
