## TABLE 5. DETERMINING APPROPRIATE AMOUNT FAMILIES PAY FOR PREMIUMS

"Determining how much families should pay for premiums and out of pocket expenses is a critical part of health care reform. The Massachusetts Commonwealth Health Insurance Connector Authority currently stipulates that families in Massachusetts with incomes

- Under $150 \%$ of the poverty line pay no premiums
- $150 \%$ up to $200 \%$ of the poverty line pay no more than an average of $2.4 \%$ of income in premiums
- $200 \%$ up to $300 \%$ of the poverty line pay no more than an average of $4.5 \%$ of income in premiums
- $300 \%$ up to $500 \%$ of the poverty line would pay an average of $8 \%$ of income in premiums
What do you think about the amount the guidelines require families to pay?"
Base: 221 respondents

|  |  | $\begin{gathered} \text { Total } \\ (\mathrm{n}=221) \end{gathered}$ | Academicl Research Inst. $(\mathrm{n}=112)$ | Health Care Delivery ( $\mathrm{n}=56$ ) | Business/ Insurancel Other Health Care Industry ( $\mathrm{n}=59$ ) | Government/ Laborl Consumer Advocacy ( $\mathrm{n}=25$ ) |
